Dear Sir:

In accordance with the requirements of 37 CFR § 1.821-1.825, a sequence listing is being submitted as part of the patent application. The sequence listing is being submitted on compact discs (labeled: "COPY 1" and "COPY 2") and in computer-readable form (CD-R labeled "CRF COPY"). The undersigned hereby verifies that the content recorded in computer readable form is identical to the content recorded on compact disc and that none of the discs introduces new matter into the application.

Respectfully submitted,
